# Future of Narrative Intelligence: LLMs and insights in action on billions of media data points

September 26th, 2024 • Christina's Duxton • 14:00–18:00 SGT

**You're invited to an exclusive workshop exploring the latest trends in audience engagement, data analysis, and narrative intelligence at Christina's, 16A Duxton Hill, Singapore, 089970, Singapore.**

Join us to hear from Gary Low, First Vice President, Group Strategic Communications and Brand, at United Overseas Bank; Prerna Suri, Vice President Communications, Asia and Middle East at Sony Music Entertainment; Dr. Andrew Prah, Assistant Professor at Nanyang Technological University; Kelly Weber, Head of Communications, APAC at Aquila Clean Energy and Ramanathan Vythilingam, Senior CMI Manager, Unilever Asia & many more!

Our expert speakers will share insights on leveraging emerging trends to craft compelling stories that resonate with your audience.

[Please RSVP now](#) to connect with industry leaders, and enhance your skills in a relaxed and inspiring environment.
